WHAT IS TIETENNIS PERFORMANCE?

Tietennis Performance is a structured player development system that objectively breaks learning the game of tennis into quantifiable levels. Each level requires mastery over strategically designed, challenging (but obtainable!) skills. Goals are laid out in a clear pathway.

HOW DOES IT WORK?

Each student will be given an initial level placement evaluation. The student sets goals and tests of various types of abilities to complete. You will work with your coach to move from Competitive Red to Competitive Blue, or, if you are an adult, complete Competitive Senior. Through the website you will have access to all the information about the exercises, their objectives and all the history of their evolution.

WHAT DOES THE PLAYER RECEIVE?

The student and parent will be given an online account, to learn about Tietennis Performance, and to take the Performance Knowledge Test to advance to the next level. A Reward Package is sent to the club to be delivered to the player. All Progress Reports are sent by e-mail and are also available online for players and parents. A player history will be also available online..

MORE MOTIVATION!

Give players an extra motivation by entering a gradual evaluation system.

MORE ORGANIZATION

Display everything with professionalism and good organization.

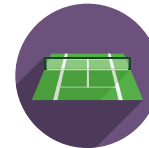

LESS ISSUES

Avoid opinions from students and parents. Well-defined objectives make everything clearer and less likely to be questioned.

MORE DISCIPLINE

Increase discipline of the students and also of their parents in all aspects of training.

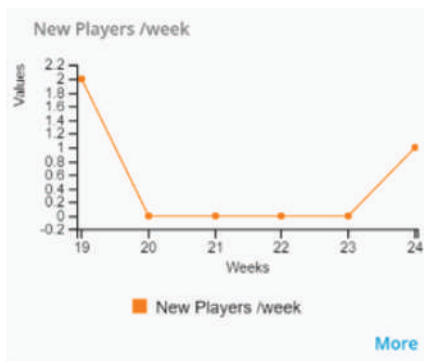

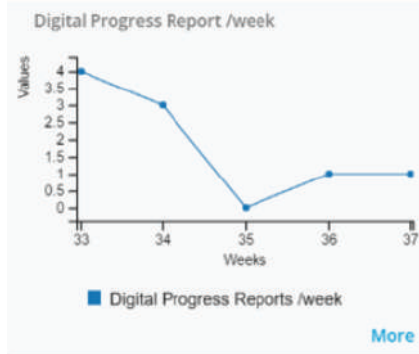

MORE INFORMATION

Keep everyone informed. The Progress Reports are automatically sent to the students, parents and family. The coach can review past tests and notes.

Receive a special Back-Office to assist you in the management

WE PREPARE EVERYTHING FOR YOU!

- We upload your players.
- We create all administrator profiles for you and your coaches.
- We prepare and send all the reward packages for your players.
- We customize everything with your club's branding.
- Players receive diplomas and badges when they achieve a new level.

HOW DOES IT GO?

This program can be subscribed online on **Tie Player** mobile APP and on **www.tietennis.com**.

The Club earns a **Tiesports Business Credit** based on a **15%** bonus if subscriptions are paid by the players or **25%** if paid by the club. This credit can be used to purchase other Tiesports Services or Software.

HOW TO JOIN?

Talk to our team! Decide which programs you would like to implement in your club and send us a list of players and managers, We will prepare everything for you...
